

## Our Economic Development team is a **driver** to strengthen **Downtown's economic base** by:

- **Prioritizing** buildings and sites for development
- **Retaining** and **attracting** business to the city center
- **Finding** potential spaces for your business to best **meet your needs**
- **Listing** available real estate on [www.DowntownSyracuse.com](http://www.DowntownSyracuse.com)
- **Researching** and **promoting** housing development and urban living
- **Collaborating** with community partners, seizing opportunities to make new connections to benefit Downtown

## We provide **support** for you and your business through:

- **Identifying** incentives and grant opportunities
- **Locating** available parking, providing a **comprehensive list** including lots, garages, operators and rates
- **Tracking** and **continuously updating** information, including:
  - Downtown Syracuse **demographics**
  - **Quarterly Office** and **Retail Reports** detailing market trends
  - **Databases** of all downtown businesses, retail and properties

## Our goal is to **deliver** a positive Downtown Syracuse experience, increasing connectivity and accessibility through:

- **Serving** as a community liaison with the City of Syracuse
- **Transforming** Downtown's landscape through **urban planning** and **placemaking** initiatives to consider the human scale of neighborhoods and pedestrian amenities to ensure **Downtown's vitality**
- **Establishing** a "Pop Up" retail program, **linking** entrepreneurs with available storefronts to add vibrancy to our downtown environment
- **Developing** the "Downtown Wishlist" and laying groundwork to make those desires a reality
