

“Downtown Syracuse: Open for Business”

Cooperative Marketing Program – Program Overview (Round 2)

The Downtown Syracuse Foundation (DSF) invites businesses located in the central business district to apply for participation in the **Downtown Syracuse Cooperative Marketing Program**.

This program will provide **funded marketing support** for collaborative promotions and events by downtown Syracuse businesses. We encourage downtown Syracuse businesses to partner up with one (or more!) City of Syracuse businesses to host events or other paired activities and promotions.

Examples of activities eligible for cooperative marketing support may include, but are not limited to:

- Public events designed to bring people into downtown Syracuse;
- “Sip and shop” events (pairing retail and restaurant);
- “Dinner and a show” package (pairing restaurants and cultural institution programming)
- “Culinary cruises” (samplings from multiple restaurants);
- “Self-care Saturday” (pairing salon packages with retail shopping)

Each business collaboration is eligible to win \$500 in paid marketing services by the DSF.* Please note that Cooperative Marketing Program funding can be used only for marketing purposes, and not for the event itself.

** Advertising purchased by the DSF may include ads on social media (awardee must use DSF approved vendor to purchase ads), radio, print (including posters and banners) or other digital formats.*
